The image shows the Postman account creation page. On the left, there is a section titled "Why sign up?" with four bullet points: "Collaborate with your team for free", "Build, test, and share APIs in one place", "Automate your API workflows", and "Accelerate your work with AI". Below this is an illustration of a person in a spacesuit interacting with a large yellow cube, with a computer monitor and a gauge in the background. On the right, the "Create Postman account" form is displayed. It includes fields for "Work email", "Username", and "Password" (with a "Show" link). There are checkboxes for "Receive product updates, news, and other marketing communications" (unchecked) and "Stay signed in" (checked). A green checkmark and the word "Success!" are shown. Below this, a message states: "By creating an account, you agree to our [terms](#) and [privacy policy](#)." There is an orange "Create Free Account" button. Below the button, the word "or" is centered. A red rectangle highlights the "Sign Up with Google" button, which features the Google logo. Below it are buttons for "Sign Up with GitHub" and "Sign In with SSO".
